

Discussion Post on becoming an Observer of Photography and not just a consumer

- 1.*** View the video entitled **“Testing Your Observer skills”** After viewing, download the slide show PDF, review the material and from the ‘testing’ section, pick two images from the eight supplied and post a Discussion regarding what you learned from spending some time with those images. Tell me about something that is not literally shown. (150 words maximum). Make sure you denote which photographs you are commenting on by number. (1,2,3,etc). – ***Do not download and send me back the images!***
 - A PDF copy of the slides can be downloaded from my website under the Week 1 section. It is also available on Canvas.
