

Photography 40

Midterm Portfolio Checklist

Spring 2017

1. **20 images** with a maximum of one media (75% - 15 images) i.e. 5 prints/15 digital or visa-versa - you can have any combination other than that this is just the maximum of any one media. Prints must be mounted, and, if presented in a binder, they must have a strong backing on the prints of some kind.
2. **All 20 images** presented as TIFF files (no layers). These are your production files, the ones you would make prints from.
3. **All 20 images** also presented in smaller JPEG format (7 inches on the widest dimension by 100 dpi) in a separate folder
4. **1 PDF slide show** containing all 20 images.
5. **Professional case** or method to transport your images.
